# S.S.S.CURES CATARRH

Catarri cannot be washed away with sprays, inhalations and such treatment, nor can it be smoked out with medicated tobacco, eigarettes, etc. When you attempt to cure Catarrh with such things you are wasting time and allowing the impurities and poisons in the blood, which produce the disease, to get so firmly rooted as to become not only a disgusting trouble, but a very dangerous one. The annoying symptoms of ringing noises in the ears, "hawking and spitting," headaches, mucus dropping back into the throat, impairment to the senses of taste and smell, and a feeling of general debility, prove that there is a deep-scated cause for Catarrh. This cause is a polluted and unhealthy condition of the blood, and the disease cannot be cared until this is removed. The only way to get rid of Catarrh permanently is to purify the blood, and S. S. S. is the ideal remedy for this purpose. It soon clears the system of all impurities, purges the blood of all catarrhal matter and poisons, and effectually checks the progress of this disgusting and far reaching disease. S. S. S. puts the blood in perfect order, and as this pure, healthy blood goes to every nook and corner of the body Catarrh is permanently cured.
